

Make the optimal Social Security decisions

Did you know?

Did you know the average household loses over \$110,000* in potential income by not making the optimal Social Security claiming decision?

Get the money you have earned and are entitled to with help from me, an RSSA®. As a Registered Social Security Analyst, I will analyze all of your Social Security claiming options helping you make the optimal Social Security decision for you and your unique set of circumstances.

I will answer all of your questions, including:

- When should I file for benefits?
- Can I get benefits from ex-spouse?
- What if I am self-employed?
- Are my children eligible for benefits?
- What about dependents with disabilities?
- How will my pension impact my benefits?
- And more
